

BEFORE THE STATE ENGINEER OF OREGON

Malheur County

IN THE MATTER OF THE APPLICATION )  
OF WARMSPRINGS IRRIGATION DISTRICT )  
FOR THE APPROVAL OF A CHANGE IN )  
PLACE OF USE OF WATER )  
----- )

SUPPLEMENTAL ORDER

On March 9, 1937, an order of the State Engineer was entered approving the application of Warm Springs Irrigation District for a change in place of use of water from 35 acres in NE $\frac{1}{4}$  NW $\frac{1}{4}$  and 40 acres in NW $\frac{1}{4}$  SW $\frac{1}{4}$ , Section 12, and 40 acres in NE $\frac{1}{4}$  NE $\frac{1}{4}$ , Section 14, all in Township 18 South, Range 46 East, W. M., having a date of priority of 1881, from Malheur River, to 35 acres in NE $\frac{1}{4}$  SW $\frac{1}{4}$ , 40 acres in SW $\frac{1}{4}$  SE $\frac{1}{4}$ , and 40 acres in SE $\frac{1}{4}$  SE $\frac{1}{4}$ , Section 11, Township 18 South, Range 46 East, W. M.

The order further provided that upon receipt of proof satisfactory to the State Engineer of the complete application of water to beneficial use upon the lands to which the water right was transferred a new certificate of water right shall be issued to the Warm Springs Irrigation District in lieu of the certificate of water right issued to Nevada Ditch Company covering, among other lands, the lands from which the water is being transferred.

Pursuant to the above provision, the Warm Springs Irrigation District filed proof of application of water to beneficial use for 35 acres in NE $\frac{1}{4}$  SE $\frac{1}{4}$ , 40 acres in SW $\frac{1}{4}$  SE $\frac{1}{4}$ , and 40 acres in SE $\frac{1}{4}$  SE $\frac{1}{4}$ , Section 11, Township 18 South, Range 46 East, W. M.

It appears that 35 acres were actually irrigated in the NE $\frac{1}{4}$  SE $\frac{1}{4}$  instead of 35 acres in the NE $\frac{1}{4}$  SW $\frac{1}{4}$  of said Section 11 and that certificate of water right when issued should describe the land to which the water was actually transferred and applied to beneficial use.

*noted at P. 111 - this val. also cert. 6984*

NOW, THEREFORE, in consideration of the premises, it is hereby ORDERED that the proof of the Warmsprings Irrigation District be accepted and that the certificate of water right when issued shall describe the lands to which the water was actually applied, as follows:

35 acres in NE $\frac{1}{4}$  SE $\frac{1}{4}$   
40 acres in SW $\frac{1}{4}$  SE $\frac{1}{4}$   
40 acres in SE $\frac{1}{4}$  SE $\frac{1}{4}$

Section 11,  
Township 18 South, Range 46 East, W. M.

Dated at Salem, Oregon, this 2nd day of December, 1939.

*Notation on Decree  
Vol 8 P 293, 294  
& Cert 6984*

*Chas E Stricklin*  
CHAS. E. STRICKLIN

State Engineer
