

STATE OF OREGON
COUNTY OF BAKER
AMENDING ORDER

On December 29, 1989, an order was entered approving an additional point of diversion for Transfer 6074. A portion of the order was in error and is being amended.

A portion of the second paragraph reads "... waters of Rock Creek ...". The order is **AMENDED** to read "... waters of Rock Creek and Muddy Creek ...".

A portion of the fourth paragraph reads "... limited to 8.59 cubic feet per second ...". The order is further **AMENDED** to read "... limited to 24.0 cubic feet per second ...".

Dated at Salem, Oregon, this 24th day of September, 1991.

William H. Young, Director
Water Resources Department

Special Order Volume 45, Page 411
