THE TOWN OF LAKEVIEW) ORDER AMENDING
FOR APPROVAL OF A CHANGE IN POINT) ORDER
OF APPROPRIATION OF WATER)

The order entered October 21, 1988, at pages 453 and 454, volume 42, special order records, approving transfer application 6070 must be amended. The order erroneously quoted the hydrogeologist, Susan Hartford, as requiring the new well to appropriate water from a basalt aquifer. The original well did not appropriate water from a basalt aquifer.

NOW, THEREFORE, it is ORDERED that the October 21, 1988, order be amended by deleting the reference to a basalt aquifer in paragraph 6 on page 453 and paragraph 1 on page 454. The new well is required to appropriate water from the same aquifer as the original well.

Dated this 11th day of October, 1989.
