The additional points of appropriation are reported to be completed.

Notice of the application, pursuant to ORS 540.520(2), was published in The Hermiston Herald, a newspaper having general circulation in the area in which the water right is located, for a period of three weeks in the issues of September 3, 10, and 17, 1985.

Larry H. Nunn, Watermaster, has filed a statement to the effect that the proposed additional points of appropriation may be made without injury to existing rights.

Michael J. Zwart, Hydrogeologist, has filed a statement to the effect that the proposed additional points of appropriation may be made without injury to existing rights.

No objections having been filed and it appearing that the proposed additional points of appropriation may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the proposed additional points of appropriation are approved, without loss of priority.

It is FURTHER ORDERED that the quantity of water appropriated at the new wells, together with that appropriated at the old wells, shall not exceed the quantity of water available at the old wells under the subject right, and shall not exceed 12.0 cubic feet per second.

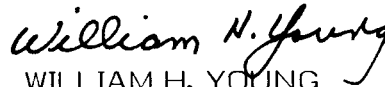

It is FURTHER ORDERED that the following provisions shall be carried out prior to using water from the new wells as herein confirmed:

That the pump system shall include an in-line flow meter or other suitable device for measuring the water to which the applicant is entitled;

That the type and plans of the measuring device be approved by the Watermaster before the beginning of construction work and that the measuring device be installed under the general supervision of said Watermaster.

It is FURTHER ORDERED that the certificate recorded at page 47094, Volume 40, State Record of Water Right Certificates, is canceled; and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, a confirming certificate of water right shall be issued to the applicant herein.

Dated at Salem, Oregon, this 19th day of November, 1985.

WILLIAM H. YOUNG
Director

NOTE: Approval of a water right transfer application does not confirm the status of the right in regard to the provisions of ORS 540.610 pertaining to forfeiture or abandonment.
