O R D E R
SEE D7

On May 3, 1937, the State Engineer entered an order approving an application of Deschutes County for a change in place of use of water within the boundaries of the Squaw Creek Irrigation District. The order provided, among other things, the following:

"And it is FURTHER ORDERED that the Squaw Creek Irrigation District shall file with the State Engineer on or before October 1, 1938 an application as provided by Section 47-712, Oregon Code 1930, for a transfer of the excess water rights, consisting of 4.5 acres in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, 3 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$ and 21 acres in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 12, Township 15 South, Range 10 East, W. M., to other lands within said district, and in the event such application is not received on or before said date the said water rights shall be considered as abandoned and the water appurtenant to 4.5 acres in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, 3 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$ and 21 acres in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 12, Township 15 South, Range 10 East, W. M., having a date of priority of 1904, shall revert to the State of Oregon and become subject to appropriation."

No application having been filed for a change in place of use of water from 4.5 acres in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, 3 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, and 21 acres in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 12, Township 15 South, Range 10 East, W. M., with a date of priority of 1904, as above provided, and the Board of Directors of the Squaw Creek Irrigation District having entered an order that the water rights appurtenant to said lands have been abandoned, it appears that the water rights should be considered abandoned and the water revert to the State of Oregon and become subject to appropriation in order of priority.

NOW, THEREFORE, it hereby is ORDERED that the water rights appurtenant to 4.5 acres in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, 3 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, and 21 acres in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 12, Township 15 South, Range 10 East, W. M., with a date of priority of 1904, be and the same hereby are considered abandoned

and the water appurtenant to such lands shall revert to the State of Oregon and become subject to appropriation in order of priority.

Dated at Salem, Oregon, this 3rd day of February, 1940.
