BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

WASHINGTON COUNTY

REJECTION ORDER

Transfer Application 7142, in the name of West Oregon Nursery, Inc., requests an additional point of appropriation.

The transfer application is incomplete. Letters requesting the applicant to complete the application form, and to provide proof of ownership of the land and evidence that the water right has been used within the past five years were sent March 13, 1996, and September 27, 1996. A final reminder letter was sent March 27, 1997. The final reminder letter contained notice that unless the information requested was submitted to the department within thirty days, the transfer application may be rejected.

The requested information has not been submitted to the department. The transfer application may be rejected.

Transfer 7142, in the name of West Oregon Nursery, Inc., is REJECTED. Any unearned fees will be refunded.

WITNESS the signature of the Water Resources Director,
affixed May 2, 1997.
