Mr. Howard Daggett, Watermaster, has filed a statement to the effect that the proposed change in place of use may be made without injury to existing rights.

No objections having been filed and it appearing that the proposed change in place of use may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested change in place of use, as described herein, without loss of priority, is approved.

It is FURTHER ORDERED that said water so transferred shall be applied to beneficial use on or before October 1, 1981.

It is FURTHER ORDERED that upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, the certificate of water right heretofore issued to Lakeview Water Users, Inc., and recorded at page 47469, Volume 40, State Record of Water Right Certificates, be canceled, and in lieu thereof a new confirming certificate of water right be issued to Lakeview Water Users, Inc.
