**Authority**

ORS 540.530(2)(a) directs the Commission to enter an order canceling a water right certificate upon issuance of an order approving a water right transfer.

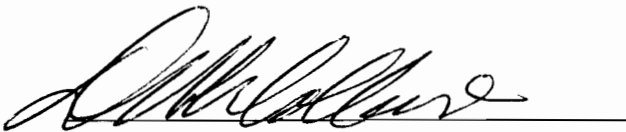

**Findings of Fact**

1. On November 1, 2005, the Department issued a final order approving transfer application T-8286. The order was recorded at Special Order Volume 67, Pages 418 through 421. The order approved an additional point of diversion for the entirety of water rights under Certificate 5532, in the name of Mrs. Rose McDonnell and Certificate 5541 in the name of Robert Wright.
2. Pursuant to ORS 540.530(2)(a), the Department shall cancel water right certificates upon issuance of an order approving a transfer. However, the order recorded at Special Order Volume 67, Pages 418 through 421 did not cancel the certificates.

**Now, therefore, it is ORDERED:**

1. Certificates 5532 and 5541 are canceled.
2. When satisfactory proof of the completed changes under T-8286 (Special Order Volume 67, Pages 418 through 421) is received, new certificates confirming the rights transferred will be issued.

Dated at Salem, Oregon this 17 day of October, 2007.
