NOW, THEREFORE, it hereby is ORDERED that the proposed change in place of use is approved, without loss of priority.

It is FURTHER ORDERED that aforesaid portions of Certificates 3297, 24704 and 51346, for supplemental irrigation of said lands in Sections 5, 8 and 9 are canceled.

It is FURTHER ORDERED that upon proof satisfactory to the Water Resources Director of complete application of water to beneficial use on the lands to which the water is transferred hereby, the change of water right shall be considered perfected, and at a later date a certificate of water right shall be issued to United States of America, Bureau of Reclamation confirming this and other changes within the District, and superseding Certificate 24707.
