

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

YAMHILL COUNTY

ORDER REJECTING TEMPORARY TRANSFER APPLICATION 9089

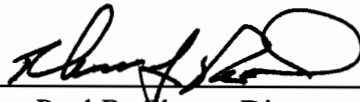

Temporary Transfer Application 9089, in the name of Sam Sweeney, was filed April 10, 2002. The applicant requested a temporary change in the place of use for lands described by Permit S-50945.

ORS 540.523 allows any person who holds a "water use subject to transfer" to request to temporarily change the place of use. A "water use subject to transfer" is a water right established by 1) an adjudication under ORS chapter 539 as evidenced by court decree; 2) a water right certificate; 3) a water use permit for which a request for issuance of a water right certificate under ORS 537.250 has been received and approved by the Commission under ORS 537.250; or 4) a transfer application for which an order approving the change has been issued under ORS 540.530 and for which proper proof of completion of the change has been filed with the Commission.

Your application proposes the temporary change in place of use of water for lands described by Permit S-50945. Proof to the satisfaction of the Director has not been made nor has a certificate been issued for Permit S-50945 and therefore, the permit is not a "water use subject to transfer". The temporary transfer application should be rejected.

Temporary Transfer Application 9089, in the name of Sam Sweeney, is REJECTED and of no further force or effect.

WITNESS the signature of the Water Resources Director, affixed APR 24 2003.

Paul R. Cleary, Director
