Authority

OAR 690-385-7600 describes the process for the Water Resources Department to issue a water right certificate upon determination that an applicant has made satisfactory proof of completion of the changes authorized by a final order approving a district permanent transfer.

Applicant

Central Oregon Irrigation District
1055 SW Lake Court
Redmond, OR 97756

Findings of Fact

1. On May 9, 2008, the Department issued a final order, recorded in Special Order Volume 74, Pages 845 - 849, approving district permanent transfer application T-10278. The order established October 1, 2009, as the date for completion of the authorized change in place of use.
2. On September 14, 2010, the Department received an application for an extension of time. This extension was approved on September 20, 2010 and is evidenced by Special Order Volume 81, Pages 939 – 940. The completion date was extended until October 1, 2011.
3. On August 18, 2011, the Department received a claim of beneficial use for T-10278.
4. The Department reviewed the claim of beneficial use and final proof map submitted by the applicant for district permanent transfer T-10278.
5. The claim of beneficial use did not contain map(s) of the point(s) of diversion from the source. However, since these changes are for place of use only within an irrigation district, and do not involve changes in point of diversion, the existing map(s) on file with the Department are sufficient to identify the point(s) of diversion from the source.
6. The Claim of Beneficial Use (CBU) site report and associated map show that the transfer was proved up on differently than authorized by the final order and are more completely described in the tables below:

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

As authorized in the order:

Twp	Rng	Mer	Sec	Q-Q	Acres	Tax Lot	User Name	Notice #
18S	13E	WM	3	SW SW	5.90	1000	COID	T-2006-029

As identified in the CBU and associated map:

Twp	Rng	Mer	Sec	Q-Q	Acres	Tax Lot	User Name	Notice #
18S	13E	WM	3	SW SW	5.90	1000	COID	T-2006-029

*Note-The reconfigured changes are within the same quarter-quarter as authorized in the final order.

7. The reconfigured changes in place of use as mapped and described above are determined satisfactory because the reconfiguration does not enlarge the right, are contiguous and under the same water right holder.
8. Satisfactory proof of the changes was submitted with evidence showing that water was used in the location and for the purpose as authorized by the final order approving T-10278.

Conclusions of Law

Pursuant to OAR 690-385-7600, the Department may issue a certificate upon a determination that the application of water to beneficial use under the terms of the final order approving a permanent district transfer was completed to the extent authorized.

Now, therefore, it is ORDERED:

1. The Department has determined that the application of water to beneficial use under the terms of the final order approving district permanent transfer T-10278 was completed to the extent authorized.
2. Pursuant to OAR 690-385-7600, the Department will issue a water right certificate on a determination that it is necessary to produce a certificate describing the right.
