Oregon Administrative Rules (OAR) 690-380-5140(2) authorizes the Department to grant an extension of time to complete a transfer.

OAR 690-380-6020 establishes an application process and criteria for the review of extensions of time to complete a transfer as authorized by a final order issued under OAR Division 380.

OAR 690-380-6020 (3) establishes that extensions are granted for one year, from October 1 to October 1 of each year. Extensions may be granted for longer time if the applicant can justify the need for a longer period of time by submission of pertinent evidence.

Findings of Fact

1. On September 26, 2022, the Department received an application for extension of time for Transfer Application T-13501.
2. On May 18, 2021, the Department signed an order, which was mailed on May 19, 2021, approving Transfer Application T-13501 to change a point of appropriation. The order was recorded in Special Order Volume 120, Pages 610-614. The order set a transfer completion date of October 1, 2022.
3. Since the approval of the transfer, the applicant has drilled and cased the new well.
4. To fully complete the change, the applicant needs to purchase a pump and wiring to power the drilled and cased well, and install a totalizing flow meter.

A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

5. The applicant has requested that the time for completion of beneficial use be extended to October 1, 2023. Consistent with OAR 690-380-6020(3), the Department will extend the transfer completion date to October 1, 2024.
