ORDER

APPROVING APPLICATION

On November 1, 1935, Earl K. Nixon, agent for G. W. Hales, filed an application for a change in place of use of water from the East Fork of Illinois River for mining purposes.

From an examination of the State Engineer's findings in the matter of the determination of the relative rights to the use of the waters of Illinois River and its tributaries, which findings were confirmed by decree of the Court for Josephine County, it appears that a water right was recognized in the name of G. W. Hales for mining purposes in Mineral Lot No. 58, Section 3, Township 41 South, Range 8 West, W. M., with a date of priority of 1853. The applicant herein proposes to change the place of use from said Mineral Lot No. 38 to the following described lands, to-wit:
