O R D E R

APPROVING APPLICATION

On April 5, 1956 the Squaw Creek Irrigation District filed an application for the approval of a change in place of use of water from Squaw Creek pursuant to the provisions of ORS 540.510 to 540.530.

The Decree of the Circuit Court for Crook County, entered September 19, 1914, in the matter of the determination of the relative rights to the waters of Squaw Creek, adjudicated a water right in the name of the Squaw Creek Irrigation Company for domestic use and the irrigation of 27 acres in the SE $\frac{1}{4}$  SW $\frac{1}{4}$ , Section 6, Township 14 South, Range 12 East, W. M., from Squaw Creek with a date of priority of 1904. On February 23, 1934, the State Engineer entered an Order approving an application of Deschutes County for a change in place of use of water wherein the water rights appurtenant to 21 acres of this land were transferred to other lands within the district. The Squaw Creek Irrigation District, owner of 6 acres of the remaining 7 acres above described, proposes to transfer the water right therefrom, without loss of priority, to 3.2 acres in the NE $\frac{1}{4}$  NE $\frac{1}{4}$  and 2.8 acres in the NW $\frac{1}{4}$  NE $\frac{1}{4}$ , Section 9, Township 15 South, Range 11 East, W. M.

Notice by publication as provided by ORS 540.520 was not given in connection with this application for the reason said section provides notice is not required on applications for a change in place of use of water only.

No objections having been filed and it appearing that the proposed change in place of use of water from Squaw Creek may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the proposed change in place of use of water from Squaw Creek be and the same hereby is approved and that the water right hereinbefore described as appurtenant to 6 acres in the SE $\frac{1}{4}$  SW $\frac{1}{4}$ , Section 6, Township 14 South, Range 12 East, W. M., be severed therefrom and simultaneously and without loss of priority transferred to 3.2 acres in the NE $\frac{1}{4}$  NE $\frac{1}{4}$  and 2.8 acres in the NW $\frac{1}{4}$  NE $\frac{1}{4}$ , Section 9, Township 15 South, Range 11 East, W. M.

It is FURTHER ORDERED that said water so transferred shall be applied to beneficial use on or before October 1, 1958 or within such extension of time as may be granted by the State Engineer for good cause shown.

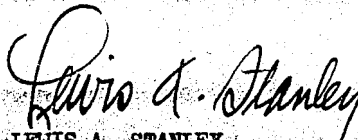

It is FURTHER ORDERED that upon receipt of proof satisfactory to the State Engineer of the complete application of water to beneficial use on the lands to which the water is transferred hereby, certificate of water right shall be issued to Squaw Creek Irrigation District or its successor in interest, to the extent to which the water has been applied beneficially and the certificate of water right heretofore issued to Squaw Creek Irrigation Company and recorded at page 850-a, Volume 1, State Record of Water Right Certificates, shall be canceled.

Dated at Salem, Oregon this 10th day of April 1956.
