MAKE COMPLETE APPLICATION OF)
WATER UNDER PERMIT NOS. R-4890)
AND 32139 IN THE NAME OF CITY)
OF HILLSBORO)

O R D E R

The City of Hillsboro is the holder of permit No. R-4890 which grants the right to construct Trask Reservoir and store therein 20,000 acre feet of water from the Middle Fork of the North Fork of Trask River and permit No. 32139 which grants the right to the appropriation of 38.7 cubic feet per second of water from the Middle Fork of the North Fork of Trask River and the reservoir for municipal use.

The City has advised the State Engineer that the appropriation has not been made as described in the permits, but it is its desire to preserve the right for this development.

The City has further advised that it has completed the engineering work including plans and specifications for the dam and pipeline and has surveyed and monumented the reservoir area.

It is believed that it will be consistent with the public interest to grant said extension.

NOW, THEREFORE, it hereby is ORDERED that the time limits to begin and complete construction and make complete application of water under permit Nos. R-4890 and 32139 be extended to October 1, 1971.

Dated at Salem, Oregon, this 4th day of April, 1968.
