## O R D E R

The holders of the following water right permits issued by the State Engineer have submitted applications for extensions of the time limits to complete construction and make complete application of the water under their respective rights.

This office has general knowledge of the districts holding the following permits and believe that such reasonable diligence has been exercised in the prosecution of the work under the permits to entitle the districts to an extension of time. To date, no protests have been received against the granting of such extensions of time.

NOW THEREFORE IT IS HEREBY ORDERED that the time limits for completion of construction and complete application of water under the respective permits are extended as follows:
