-----

ORDER

On October 31, 1984, an affidavit was filed in the office of the Water Resources Director by Phyllis Ticoulat for approval of a change from primary to supplemental use of water from ground water.

The certificate recorded at page 31746, Volume 23, State Record of Water Right Certificates, in the name of Robert Lister, describes a right which includes the use of not to exceed 0.01 cubic foot per second from a well, for irrigation of 0.1 acre in NW 1/4 NE 1/4 and 0.7 acre in NE 1/4 NW 1/4, Section 20, Township 14 South, Range 15 East, WM, with a date of priority of September 5, 1958.

Water for the said right is diverted from a point located 10.5 chains South and 41.75 chains West from the Northeast Corner of Section 20, being within the NE 1/4 NW 1/4 of Section 20, Township 14 South, Range 15 East, WM.

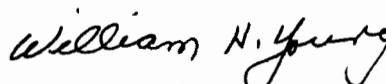

The affiant herein, owner of the lands above described, proposes to change the right from primary irrigation to supplemental irrigation on the same lands.

No objections having been filed and it appearing that the proposed diminution of water right may be made without injury to existing rights, the petition should be approved.

NOW, THEREFORE, it hereby is ORDERED that the proposed change from primary irrigation to supplemental irrigation is approved, without loss of priority.

It is FURTHER ORDERED that the certificate recorded at page 31746, Volume 23, State Record of Water Right Certificates, is canceled; and in lieu thereof a new certificate be issued covering the balance of the right NOT involved in this proceeding; and a certificate of water right be issued to the applicant herein designating said water right as supplemental on the aforesaid lands.

Dated at Salem, Oregon this 19th day of November, 1984.
