

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

WASCO COUNTY

IN THE MATTER OF THE APPLICATION)
OF GEORGE E. CALVERLEY FOR AP-)
PROVAL OF A CHANGE IN PLACE OF)
USE OF WATER FROM MOSIER CREEK)

ORDER APPROVING
TRANSFER NO. 3916

On March 30, 1978, an application was filed in the office of the Water Resources Director by George E. Calverley for approval of a change in place of use from Mosier Creek, pursuant to the provisions of ORS 540.510 to 540.530.

The certificate recorded at page 6770, Volume 7, State Record of Water Right Certificates, in the name of Oscar E. Wilson, describes a right which includes the use of not to exceed 0.01 cubic foot per second, with a date of priority of December 22, 1924, from Mosier Creek for irrigation of a certain 0.7 acre in SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 1; said certificate erroneously locating the place of use in Township 1 North, Range 11 East, W.M. Evidence shows that the place of use is actually in Township 2 North, Range 11 East, W.M.

Water for the said right is diverted from a point located 250 feet North and 730 feet West from the Southeast Corner of Mosier D.L.C. No. 37, being within the NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 1, Township 2 North, Range 11 East, W.M.

The applicant herein, owner of the lands above described, proposes to change the place of use therefrom, without loss of priority, and to irrigate in lieu thereof a certain 0.7 acre in NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 1, Township 2 North, Range 11 East, W.M.

Mr. Thomas J. Paul, Watermaster, has filed a statement to the effect that the proposed change in place of use may be made without injury to existing rights.

No objections having been filed and it appearing that the proposed change in place of use may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested change in place of use as described herein, without loss of priority, is approved.

It is FURTHER ORDERED that said water so transferred shall be applied to beneficial use on or before October 1, 1979.

It is FURTHER ORDERED that the certificate of water right heretofore issued

to Oscar E. Wilson and recorded at page 6770, Volume 7, State Record of Water Right Certificates, is canceled, and in lieu thereof a new certificate be issued covering the balance of the right NOT involved in this proceeding, and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, a confirming certificate of water right shall be issued to the applicant herein.

Dated at Salem, Oregon, this 19th day of April, 1978.

James E. Sexson
Director
