THE STATE ENGINEER - - - - - )

O R D E R

The above entitled matter now coming on for the consideration of the State Engineer, and it appearing that:

The holders of the following water right permits issued by the State Engineer have submitted applications for extension of the time limits within which to complete the construction work and/or make complete application of water to beneficial use under their respective water right permits,

The State Engineer is authorized under the provisions of ORS 537.230 to grant extension of time for good cause shown, within which to complete work or perfect a right under a water right permit,

The statements in the applications for extensions filed regarding completion of the projects represented indicate that each has shown such reasonable diligence as entitles him to an extension of time, and

No protests or objections to the granting of an extension under any of the following permits have been filed by any subsequent permit holders,

IT IS THEREFORE ORDERED that extensions of time be and the same are hereby granted as follows:
