- ~~33. During review of the transfer application an apparent scrivener's error in the omission of T37S, R1W, Section 21, SW NW, WM., in the authorized place of use listing was identified. After an investigation of the record, the Department determined that inclusion of this location in the appropriate tables above (Findings of Fact #7, #10, #28) more accurately depicts the authorized place of use.~~
33. The District permanent transfer application satisfies the criteria of OAR 690-385-4000, contains the information required under OAR 690-385-2000, and includes maps meeting the requirements of OAR 690-385-2200.
34. The water rights are subject to transfer as defined in OAR 690-385-0100(17).
35. The proposed change in place of use would not result in enlargement of the rights.
36. The proposed change in place of use will not result in injury to other water rights.

Conclusions of Law

The amended change in place of use proposed in Transfer Application T-10757 satisfies the requirements of ORS 540.574(3) and 540.580.

Now, therefore, it is ORDERED:

1. The amended changes to the water rights evidenced by Certificates 83381, 83383, 80578, 83728, 85286, 85288, 85876, 85877 and water use Permit S-4951 are approved.
2. The right to the use of water is restricted to beneficial use at the place of use described and is subject to all other conditions and limitations contained in by Certificates 83381, 83383, 80578, 83728, 85286, 85288, 85876, 85877 and water use Permit S-4951, any related decree or order.
3. The former places of use shall no longer be irrigated as part of these water rights.
4. The approved, amended changes shall be completed and full beneficial use of the water shall be made on or before October 1, 2011.
5. A Claim of Beneficial Use (COBU) shall be submitted by Medford Irrigation District to the Department by **October 1, 2012**.

6. Water right by Certificates 83381, 83383, 80578, 83728, 85286, 85288, 85876, 85877 and water use Permit S-4951 are modified. The Department will issue superseding certificates describing the rights when it determines that is necessary for record keeping.
7. The Amended Order recorded on February 5, 2010, in Special Order Volume 80, Pages 212-225, is superseded by this Superseding Correcting Order and is of no further force or effect.
