TRANSFER 3306

-----  
On August 25, 1981, Evan Baldwin filed an application in the office of the Water Resources Director for approval of a change in place of use of water from Tumalo Creek, Deschutes River, Crater Creek, Little Crater Creek, and three spring branches and Crescent Lake Reservoir, pursuant to the provisions of ORS 540.510 to 540.530.

The order of the Water Resources Director entered August 15, 1977, approving Transfer 3306, authorized a change in place of use for irrigation of 2.6 acres to the SE 1/4 NE 1/4 of Section 17, Township 16 South, Range 12 East, WM.

Tumalo Irrigation District has submitted evidence and statements that the correct location for said 2.6 acres should be in the SE 1/4 NE 1/4 NE 1/4 of Section 17, Township 16 South, Range 12 East, WM, within Deschutes County Tax Lot 200; that Marvis Johnson, owner of Tax Lot 200, has been paying the District assessment for said water right, and has been irrigating Tax Lot 200 since 1975.

NOW, THEREFORE, it hereby is ORDERED that the order approving Transfer 3306 be amended to authorize the irrigation of said 2.6 acres in the SE 1/4 NE 1/4 NE 1/4, Section 17, Township 16 South, Range 12 East, WM.

Dated at Salem, Oregon, this 29th day of July, 1981.
