TRANSFER NO. 4263

On July 25, 1979, an application was filed in the office of the Water Resources Director by George Akiyama for approval of a change in place of use of water from an unnamed stream, tributary of Indian Creek, pursuant to the provisions of ORS 540.510 to 540.530.

The certificate recorded at page 14996, Volume 12, State Record of Water Right Certificates, in the names of Wm. A. Miller and E.A. Miller, describes a right which includes the use of not to exceed 1/80th cubic foot per second per acre from an unnamed tributary of Indian Creek for irrigation of a certain 7.0 acres in SW¹/₄ SW¹/₄ and 16.0 acres in SE¹/₄ SW¹/₄ of Section 17, Township 2 North, Range 10 East, W.M., with a date of priority of 1900.

Water for the said right is diverted, through an unnamed ditch, from a point located 900 feet North and 200 feet East from the Southwest Corner of Section 17, being within the SW¹/₄ SW¹/₄ of Section 17, Township 2 North, Range 10 East, W.M.

The applicant herein, owner of the lands above described, proposes to sever the right therefrom and, without loss of priority, to use said water for primary irrigation of a certain 11.0 acres in NE¹/₄ NE¹/₄ of Section 19 and supplemental irrigation of a certain 12.0 acres in NE¹/₄ SE¹/₄ of Section 18, both in Township 2 North, Range 10 East, W.M.

Mr. Thomas J. Paul, Watermaster, has filed a statement to the effect that the proposed change in place of use may be made without injury to existing rights.

No objections having been filed and it appearing that the proposed change in place of use may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested change in place of use, as described herein, without loss of priority, is approved.

It is FURTHER ORDERED that said water so transferred shall be applied to beneficial use on or before October 1, 1981.

It is FURTHER ORDERED that the certificate recorded at page 14996, Volume 12, State Record of Water Right Certificates, is canceled; and in lieu thereof a new certificate be issued covering the balance of the right NOT involved in this proceeding; and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, a confirming certificate of water right shall be issued to the applicant herein.

Dated at Salem, Oregon this 20th day of December, 1979.
