CONCLUSIONS OF LAW

ORS 540.621 directs the Commission to enter an order canceling a water right whenever the owner of a perfected and developed water right certifies under oath to the Commission that the water right has been abandoned and the owner desires to cancel the right.

Oregon Administrative Rule 690-017-0100 authorizes the Director of the Water Resources Department to issue an order, under authority delegated to him by the Commission, canceling a perfected and developed water right in accordance with the provisions of ORS 540.621 when so requested by notarized affidavit of the record owner of land to which a water right is appurtenant.

The Director of the Water Resources Department concludes a portion of Certificate 50581 has been abandoned in accordance with the provisions of ORS 540.621 and shall be canceled.
