Authority

OAR Chapter 690, Division 086, establishes the process and criteria for approving water management and conservation plans required under the conditions of permits, permit extensions and other orders of the Department.

Findings of Fact

1. The City of Phoenix submitted a Water Management and Conservation Plan (plan) to the Water Resources Department (Department) on May 19, 2020. The Department on May 26, 2020, received the required statutory fee for review of the plan. The plan was required by a condition set forth under the City's previously approved plan (Sp. Or. Vol. 62, Pgs. 270-271) issued on November 30, 2004, and a condition set forth in the final order issued on February 8, 2019 approving an extension of time for Permit S-52650.
2. The Department published notice of receipt of the plan on June 9, 2020, as required under OAR Chapter 690, Division 086. No comments were received.
3. The Department provided written comments on the plan to the City on July 24, 2020 and September 4, 2020. In response, the City submitted revised plans on August 31, 2020, September 4, 2020 and a final revised plan on September 15, 2020.
4. The Department reviewed the final revised plan and finds that the final revised plan is consistent with the relevant requirements under OAR Chapter 690, Division 086.

Conclusion of Law

The Water Management and Conservation Plan submitted by the City of Phoenix is consistent with the criteria in OAR Chapter 690, Division 086.
