4. Permit Amendment Application T-8265 proposes to change the point of appropriation of the permit to:

Township		Range		Meridian	Sec	¼ ¼	Location
1	S	9	W	W.M.	6	NE SE	1834 feet North and 4073 feet East from the SW Corner of Section 6.

5. Notice of the application for the permit amendment was published in the Department's weekly notice on May 18, 1999 pursuant to ORS 540.520(5). No comments were filed in response to the notice.
6. The change would not result in injury to other water rights.
7. The change does not enlarge the permit.
8. The change does not alter any other terms of the permit.

**Conclusions of Law**

The change in point of appropriation proposed by Permit Amendment Application T-8265 is consistent with the requirements of ORS 537.211.

**Now, therefore, it is ORDERED:**

The change and subsequent use of water shall be subject to the following conditions:

1. The quantity of water diverted at the new point of appropriation shall not exceed the quantity of water lawfully available at the original point of appropriation.
2. Prior to water use from the proposed point of appropriation, the permittee shall install a meter or other suitable measuring device as approved by the Director. The permittee shall maintain the meter or measuring device in good working order.

The permittee shall allow the watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the watermaster shall request access upon reasonable notice.

The Director may require the permittee to keep and maintain a record of the amount (volume) of water used and may require the permittee to report water use on a periodic schedule as established by the Director. In addition, the Director may require the permittee to report general water use information, the periods of water use and the place and nature of use of water under the permit. The Director may provide an opportunity for the permittee to submit alternative reporting procedures for review and approval.

3. Water shall be acquired from the same aquifer as the original point of appropriation.
4. All other terms and conditions of Permit G-12264 remain the same.
5. Permit G-12264, in the name of Kilchis Water District, is amended as described herein.

Dated at Salem, Oregon this 20<sup>th</sup> day of August, 2008.
