OAR 690-380-6020 establishes an application process and criteria for the review of extensions of time to complete a transfer as authorized by a final order issued under OAR Division 380.

OAR 690-380-6020 (3) establishes that extensions are granted for one year, from October 1 to October 1 of each year. Extensions may be granted for longer time if the applicant can justify the need for a longer period of time by submission of pertinent evidence.

2. On September 29, 2003, the Department issued an order, which was recorded in Special Order Volume 58, Pages 131-134. The order set a transfer completion date of October 1, 2004.
3. Since the approval of the transfer, the applicant has installed a water intake at the new point of diversion, installed a fish screen approved by ODFW, and irrigated approximately 1.6 acres at the new place of use.
