- The portion of Certificate 83571 which has been abandoned is for the use of the amounts of water identified in Finding of Fact #4 for irrigation of 1.70 acres located as follows:

CERTIFICATES 83571 (IRRIGATION) & 76714 (SUPPLEMENTAL IRRIGATION)						
TWP	RNG	MER	SEC	Q-Q	TAX LOT	ACRE
18 S	14 E	WM	9	NW NW	301	0.70
18 S	14 E	WM	9	SW NW	301	0.90

- The portion of the water right evidenced by Certificate 76714 which has been abandoned is for the use of stored water for supplemental irrigation on the lands described in Finding of Fact #5. The abandoned portion of the water right no longer authorizes water to be applied at the place of use described in Finding of Fact #5, but does not reduce the total quantity of water available for supplemental irrigation.

### Conclusions of Law

The Director of the Water Resources Department concludes that a portion of the rights evidenced by Water Right Certificates 83571 and 76714 have been abandoned in accordance with the provisions of ORS 540.621 and shall be cancelled.

### Now, therefore, it is ORDERED:

- The water rights appurtenant to the lands described in Findings of Fact #5 are canceled and the Department's records shall be modified accordingly.
- Certificate 76714 shall be modified to reflect the cancellation of 1.70 acres, as described in Finding of Fact #5, and the corresponding reduction in the number of acres of land to which stored water may be applied for supplemental irrigation under the secondary right to use stored water. However, the total quantity of stored water that can be diverted for supplemental irrigation under the secondary right to use stored water shall remain unchanged.
- The Department shall issue new water right certificates to supersede Certificates 83571 and 76714 on a determination that it is necessary to produce a certificate to confirm the portion of the right not involved in this cancellation.
