

**Before the Water Resources Director  
Deschutes County Oregon**

**FINAL ORDER**

Pursuant to ORS 541.329 (District Water Rights Mapping Provision), a petition requesting approval and acceptance of district maps showing the location and use of all water rights within and served by a district was submitted to the Oregon Water Resources Commission on May 8, 1992, by the petitioner:

**ARNOLD IRRIGATION DISTRICT  
19885 ROCKING HORSE RD  
BEND, OR 97702**

On February 10, 1928, Circuit Court Judge T.E.J. Duffy awarded Arnold Irrigation Company an inchoate right for the irrigation of 9,392.0 acres with a February 1, 1905 priority for 25.0 cubic feet per second and an April 25, 1905 priority for 125.0 cfs.

On February 14, 1933, the court entered a supplemental decree to define the irrigation season, duty of water and transmission losses as they related to the various irrigation projects.

On March 24, 1933, based on objections filed by Central Oregon Irrigation District, Crook County Improvement District #1 and Deschutes Reclamation and Irrigation Company to the February 14, 1933 decree, a decree was entered modifying the rate of diversion.

On September 29, 1961, the State Engineer issued certificate #29053 to confirm the right as modified by a decree of the Circuit Court for Deschutes County entered July 18, 1958, further modified by a decree dated December 28, 1959, and the following transfers: Sp.Or. V.7, P.199, V.8, P.210, V.9, P.234, V.9, P.358, V.9, P.434, V.9, P.446, V.10, P.11 and V.10, P.373. The certificate confirmed a total of 4,414.25 acres.

Two transfers filed before the issuance of Certificate #29053 remained unconfirmed but are confirmed herein. These are:

Sp.Or. V.10, P.588 & Sp.Or. V.11, P.2 - The acres/equivalent involved in these transfers was included at the original location on Certificate 29053.

Eight orders canceling water rights have been issued.

Cancellation V.34, P.103	-8.30 acres
Cancellation V.35, P.255	-1.00 acres
Cancellation V.35, P.396	-2.00 acres
Cancellation V.36, P.282	-2.00 acres
Cancellation V.36, P.555	-2.00 acres
Cancellation V.36, P.556	-0.22 acres
Cancellation V.36, P.608	-2.00 acres
Cancellation V.40, P.468	-4.00 acres

There has been one order rescinding Loss of Right Order, V.40, P.468.

Volume 46, Page 515

+4.00 acres

Arnold Irrigation District made other changes after Certificate 29053 was issued but no certificates confirming the changes have been issued. These changes are listed in **ATTACHMENT A** and are confirmed herein.

Six point of diversion transfers are outstanding. These are as follows:

Volume 8, Page 210

Volume 12, Page 198

Volume 29, Page 70

Volume 29, Page 496

Volume 30, Page 107

Volume 31, Page 505

Although these transfers cannot be confirmed by the district remapping process, Arnold Irrigation District has made proof satisfactory to the director through the normal final proof process for the listed point of diversion transfers. These point of diversion transfers are confirmed herein.

Incorporating these changes to certificate #29053, there remains 4,396.73 acres/equivalent eligible to petition. These rights are tabulated under "Right of Record" in **ATTACHMENT A**.

The petitioner requests to change the use and place of use of the above rights to 3,976.05 acres of irrigation, 347.59 acres/equivalent for quasi-municipal use, 35.71 acres/equivalent for pond maintenance, 23.2 acres/equivalent for industrial use, and 1.5 acres/equivalent for domestic use, to locations as tabulated under "Petitioned Lands" in **ATTACHMENT B**.

The petitioner states that the difference, 12.68 acres, is no longer used and requests that it be canceled.

## FINDINGS

The Director has examined the petition and maps submitted by Arnold Irrigation District and a report prepared by Department staff. The report is on file at the Water Resources Department. Based on the examination and report, the Director finds:

1. Arnold Irrigation District is a district eligible to petition as defined by ORS 541.325(1).
2. The district filed its petition and maps in a timely manner.
3. The District paid the fees required under ORS 536.050(1)(o).
4. The district certified that they met the notice requirements of ORS 541.329(4).

5. The content and quality of the district's petition and maps meet the requirements of ORS 541.329.
6. The acreage petitioned is within the limits of the eligible rights and the limits set in ORS 541.331(4).
7. The District has met the notice requirements of ORS 541.329(5).
8. Arnold Irrigation District may make the proposed changes without injury to existing rights.
9. No user filed a protest pursuant to ORS 541.331(1).
10. The right of record acreage was incorrectly listed in the Proposed Order. The correct right of record acreage is 4,396.73 acres. This change will not affect the petitioned lands.
11. Arnold Irrigation District has made proof, satisfactory to the Director, for that portion of supplemental Permit #23256 appurtenant to lands described as "Petitioned Lands" in ATTACHMENT B.
12. Arnold Irrigation District has made proof, satisfactory to the Director, for the point of diversion portions of Transfer Orders Volume 8, Page 210; Volume 12, Page 198; Volume 29, Page 70; Volume 29, Page 496; Volume 30, Page 107; and Volume 31, Page 505.

Therefore, the Director finds that ARNOLD IRRIGATION DISTRICT has met the requirements of ORS 541.325 to 541.331.

### **FINAL ORDER**

NOW, THEREFORE, it is hereby ORDERED that the petition and maps of water rights for the ARNOLD IRRIGATION DISTRICT are accepted and approved. Certificate #29053 has been canceled.

A new certificate conforming to the approved petition totaling 3,976.05 acres of irrigation, 347.59 acres/equivalent for quasi-municipal use, 35.71 acres/equivalent for pond maintenance, 23.2 acres/equivalent for industrial use, 1.5 acres/equivalent for domestic use, and stock water, and confirming the listed outstanding point of diversion transfers shall be issued to ARNOLD IRRIGATION DISTRICT.

It is FURTHER ORDERED that the original season, rate, duty limitations, and all other conditions and limitations contained in the original decree, as modified by all subsequent decrees, shall remain in effect for the rights petitioned.

It is FURTHER ORDERED that when, to the satisfaction of the Director, proof has been made for those lands not included in this petition but covered by supplemental permit #23256, a certificate confirming the use as limited by the terms of the inter-district contract dated January 4, 1938, be issued.

WITNESS the signature of the Oregon Water Resources Director, affixed  
this 14<sup>th</sup> day of July 1997

  
\_\_\_\_\_  
Martha O. Pagel  
Oregon Water Resources Director
