2. The Water Resources Department issued an order approving Transfer Application T-10307, in the name of Harry Edwin Cooper, on October 31, 2008. The order was recorded in Special Order Volume 76, at Page 651. The order set a transfer completion date of October 1, 2010.
3. On October 10, 2012, Transfer T-10307 was assigned to Peter J. Lopez, who is now listed as the transfer applicant.
4. The applicant has completed the pump station and installed the fish screen and the main line to the field, but has been unable to fully complete the change by the deadline because of delays in obtaining grant funding.
5. To fully complete the change, it will be necessary for the applicant to complete the irrigation system and install a flow meter.
6. The applicant has requested that the time for completion of beneficial use be extended to October 1, 2014.

Pursuant to OAR 690-380-6020, the Director of the Water Resources Department concludes the applicant has shown reasonable diligence to complete the transfer within the time period established by the order approving Transfer Application T-10307 and the requested time is reasonable.

**Now, therefore, it is ORDERED:**

The time for completion of beneficial use authorized by T-10307 shall be extended to October 1, 2014.
