7. The Department finds that the district permanent transfer application satisfies the criteria of OAR 690-385-4000 and contains the information required under OAR 690-385-4200 and includes maps meeting the requirements of OAR 690-385-4300.
8. The water rights are subject to transfer as defined in OAR 690-385-0100(17).
9. The proposed change in place of use will not result in enlargement of the right.
10. The proposed change in place of use will not result in injury to other water right.

Conclusions of Law

The proposed changes in place of use as proposed in Transfer Application T-12502 satisfy the requirements of ORS 540.574(3) and 540.580.

Now, therefore, it is ORDERED:

1. The Final Order recorded at Special Order Volume 104, Pages 360-362, is withdrawn and of no further force or effect and is superseded by this order.
2. The proposed changes in place of use to the water right evidenced by Certificate 74306 are approved.
3. The right to the use of the water is restricted to beneficial use at the place of use described in Certificate 74306.
4. The former places of use shall no longer be irrigated as part of this water right.
5. The water user shall maintain and operate the existing measurement device and shall make such improvements as may be required by the Department.
6. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2018**. A Claim of Beneficial Use shall be submitted by FID to the Department within one year after the deadline for completion of the changes and full beneficial use of the water.
7. Water right Certificate 74306 is modified. The Department will issue a superseding Certificate describing the right when it determines it is necessary for record keeping.

Signed at Salem, Oregon this 17 day of April 2017.
