

**BEFORE THE WATER RESOURCES DEPARTMENT
FOR THE
STATE OF OREGON**

In the Matter of the Completion of a Change)
in Place of Use Under Transfer Application) DETERMINATION OF
T-10671, Marion County) SATISFACTORY PROOF

Authority

ORS 540.530 and OAR 690-385-7600 describe the process for the Water Resources Department to issue or modify a water right certificate upon determination that an applicant has made satisfactory proof of the completion of the changes.

Applicant

Santiam Water Control District
284 East Water St.
Stayton, OR 97383

Findings of Fact

1. On April 24, 2009, the Department issued a final order, recorded in Special Order Volume 77, Pages 606 - 609, approving Transfer Application T-10671. The order established October 1, 2010, as the date for completion of the authorized changes in place of use.
2. On June 23, 2015, the Department received a Claim of Beneficial Use (CBU) and associated maps from the applicant.
3. The Department reviewed the CBU and maps submitted by the applicant for Transfer Application T-10671.
4. The CBU did not contain a map of the point of diversion from the source. However, since the transfer involved the transfer of places of use only within an irrigation district and did not involve a change in the point of diversion, the existing maps on file with the Department are sufficient to identify the point of diversion from the source.
5. Satisfactory proof of the changes was submitted with evidence showing that water was used in the location and for the purpose as authorized by the final order approving Transfer Application T-10671.

NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Conclusions of Law

Pursuant to ORS 540.530 and OAR 690-385-7600, the Department may issue or modify a certificate upon a determination the application of water to beneficial use under the terms of the final order approving a permanent district transfer was completed to the extent authorized.

Now, therefore, it is ORDERED:

1. The water has been applied to beneficial use to the extent authorized under the terms of the final order approving Transfer Application T-10671.
2. Water right certificates 68663 and 68665 are modified. The Department shall issue water right certificates on a determination that it is necessary to produce certificates describing the water rights.

Issued this 25 day of January, 2016.
