14. A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing right is present.
15. The proposed change would not result in enlargement of the right.
16. The proposed change would not result in injury to other water rights.

Conclusions of Law

The changes in point of appropriation and place of use proposed in application T-9078 appear to be consistent with the requirements of ORS 537.705 and 540.505 to 540.580, and OAR 690-380-5000.

Now, therefore, it is ORDERED:

The changes proposed in T-9078 are approved, subject to the following conditions:

1. The right to use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificates 52645, 52646, 55705, 80660, and any related decree.
2. Water shall be acquired from the same aquifer (water source) as the original point of appropriation.
3. The proposed change shall be completed on or before October 1, 2005.

4. A Claim of Beneficial Use prepared by a Certified Water Rights Examiner shall be submitted by the applicant to the Department by October 1, 2006.
5. The quantity of water diverted at the new point of appropriation, together with that diverted at the original point of appropriation, shall not exceed the quantity of water lawfully available at the original point of appropriation.
6. Prior to diverting water at the new point of appropriation, the water user shall install and maintain an in-line flow meter or other suitable device for measuring and recording the quantity of water appropriated. The type and plans of the measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.
7. Certificates 52645, 52646, 55705, and 80660 are cancelled; Certificate 80661 shall be issued to describe the remaining rights.
8. When satisfactory proof of the completed change is received, a new certificate confirming the transferred water rights shall be issued.

Dated at Salem, Oregon this 21st day of July, 2004.
