**Findings of Fact**

1. On May 1, 2013, the Department received an application for extension of time for water right transfer application T-8192 from Jerry D. Stone, the applicant and current landowner.
2. The Water Resources Department issued an order approving Transfer Application T-8192, in the name of Stephen Arthur Brixey, on May 2, 2000. The order was recorded in Special Order Volume 54, at Pages 313 - 316. The order set a transfer completion date of October 1, 2001.
3. The applicant recently purchased the property. The well has been drilled. However, the applicant has not been able to fully complete the change by the deadline because this is a recent property acquisition.
4. To fully complete the change, it will be necessary for the applicant to fully apply water to beneficial use, install a flow meter, connect (or reconnect) the lines.
5. The applicant has requested that the time for completion of beneficial use be extended to October 1, 2018.

This final order is subject to judicial review by the Court of Appeals under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482(1). Pursuant to ORS 536.075 and OAR 137-003-0675, you may petition for judicial review or petition the Director for reconsideration of this order. **Conclusions of Law**

Pursuant to OAR 690-380-6020, the Director of the Water Resources Department concludes the applicant has shown reasonable diligence to complete the transfer within the time period established by the order approving Transfer Application T-8192 and the requested time is reasonable.

**Now, therefore, it is ORDERED:**

The time for completion of beneficial use authorized by T-8192 shall be extended to October 1, 2018.
