Notice of the application, pursuant to ORS 540.520(2), was published in The Stayton Mail, a newspaper having general circulation in the area in which the water right is located, for a period of three weeks in the issues of January 7, 14 and 21, 1987.

Clif R. King, Watermaster, has filed a statement to the effect that the proposed change in use heretofore made may be made without injury to existing rights.

No objections having been filed and it appearing that the proposed change in use heretofore made may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the proposed change in use heretofore made is approved, without loss of priority.

It is FURTHER ORDERED that the quantity of water used for the proposed purpose shall not exceed 2.78 cubic feet per second, and shall be used only during the irrigation season of each year.

It is FURTHER ORDERED that the following provisions shall be effective when in the judgment of the Watermaster it becomes necessary to install headgates and measuring devices:

That the diversion works shall include an in-line flow meter, a weir, or other suitable device for measuring the water to which the applicant is entitled;

That the type and plans of the measuring device be approved by the Watermaster before the beginning of construction work and that the weir or measuring device be installed under the general supervision of said watermaster.

It is FURTHER ORDERED that the subject water right is hereby severed from the use and place of use described in Certificate 52506, and shall be beneficially used as authorized by this order on or before October 1, 1992.

It is FURTHER ORDERED that the certificate recorded at page 52506, Volume 47, State Record of Water Right Certificates, is canceled; and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, a confirming certificate of water right shall be issued to the City of Stayton.

Dated at Salem, Oregon, this 17th day of February, 1987

WILLIAM H. YOUNG
Director

NOTE: The approval of a water right transfer application does not confirm the status of the right in regard to the provisions of ORS 540.610 pertaining to forfeiture or abandonment.
