Authority

OAR 690-385-7600 describes the process for the Water Resources Department to issue a water right certificate upon determination that an applicant has made satisfactory proof of completion of the changes authorized by a final order approving a district permanent transfer.

Applicant

North Unit Irrigation District (NUID) 2024 NW Beech St. Madras, OR 97741

Findings of Fact

- 1. On February 8, 2011, the Department issued a final order, recorded in Special Order Volume 83, Pages 511 - 516, approving district permanent Transfer Application T-11178. The order established October 1, 2012, as the date for completion of the authorized change in place of use.
- 2. On November 21, 2012, the Department received a claim of beneficial use for T-11178.
- 3. The Department reviewed the claim of beneficial use and final proof maps submitted by the applicant for district permanent Transfer Application T-11178.
- 4. The claim of beneficial use did not contain map(s) of the point(s) of diversion from the source. However, since these changes are for place of use only within an irrigation district. and do not involve changes in point of diversion, the existing map(s) on file with the Department are sufficient to identify the point(s) of diversion from the source.
- 5. Since the issuance of the final order approving Transfer Application T-11178 portions of the transfer has changed ownership. This ownership change is described further in the table below:
