-----

ORDER AMENDING ORDER  
OF JULY 28, 1969

On July 28, 1969, the State Engineer entered an order approving the application of Eugene L. and Ethel A. Mars for approval of a change in point of diversion of water from Evans Creek, which order provided in part as follows, to-wit:

"This right is evidenced by certificate recorded at page 35086, Volume 27, State Record of Water Right Certificates."

and

"It is FURTHER ORDERED that certificate of water right heretofore issued to Paul S. Seeley and recorded at page 35086, Volume 27, State Record of Water Right Certificates, is canceled and in lieu thereof a new certificate be issued covering the balance of the lands not involved in this proceeding, and upon receipt of proof satisfactory to the State Engineer of completion of the authorized change in point of diversion, a certificate of water right shall be issued to Eugene L. and Ethel A. Mars confirming said change in point of diversion."

There are errors in showing the certificate issued in evidence of the right in question as recorded at page 35086, Volume 27, instead of the certificate recorded at page 36142, Volume 28, State Record of Water Right Certificates.

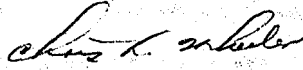

NOW, THEREFORE, it hereby is ORDERED that the parts of the order of the State Engineer entered July 28, 1969, above set forth be deleted therefrom and insert in lieu thereof the following, to-wit:

"This right is evidenced by certificate recorded at page 36142, Volume 28, State Record of Water Right Certificates."

and

"It is FURTHER ORDERED that certificate of water right heretofore issued to Paul S. Seeley and recorded at page 36142, Volume 28, State Record of Water Right Certificates, is canceled and in lieu thereof a new certificate be issued covering the balance of the lands not involved in this proceeding, and upon receipt of proof satisfactory to the State Engineer of completion of the authorized change in point of diversion, a certificate of water right shall be issued to Eugene L. and Ethel A. Mars confirming said change in point of diversion."
