Findings of Fact

1. On June 20, 2007, D. Justin Meduri of Meduri Farms filed an application to add an additional point of appropriation under Certificates 28351, 30688, 33450, and 65496. The Department assigned the application number T-10411.
2. On May 18, 2010, the Water Resources Department issued an order approving the proposed additional point of appropriation and a diminution of 4.3 acres under Certificate 65496 from primary irrigation to supplemental irrigation. The order was recorded in Special Order Volume 80, Page 989.
3. On July 19, 2011, Jason Meduri of Meduri Farms notified the Department that the additional point of appropriation authorized under T-10411 would not be completed and requested that the authorized points of appropriation revert back to the original points of appropriation, being Wells #3, #4, #5 and #6.

Now, therefore, it is ORDERED:

1. The points of appropriation authorized under Application T-10411 are reverted to the points of appropriation authorized under the water rights prior to the transfer.
