FINAL ORDER
APPROVING AN ADDITIONAL POINT
OF APPROPRIATION AND CHANGE
IN PLACE OF USE

Authority

Oregon Revised Statute (ORS) 537.705 and 540.505 to 540.580 establish the process in which a water right holder may submit a request to transfer the point of appropriation, place of use, or character of use authorized under an existing water right. Oregon Administrative Rule (OAR) Chapter 690, Division 380 implements the statutes and provides the Department's procedures and criteria for evaluating transfer applications.

Applicant

DON AND CONNIE RAMAGE
PO BOX 44
SILVER LAKE, OR 97638

Findings of Fact

1. On December 9, 2014, DON AND CONNIE RAMAGE filed an application for an additional point of appropriation and to change the place of use under Certificate 82723. The Department assigned the application number T-11938.
2. Notice of the application for transfer was published on December 16, 2014, pursuant to OAR 690-380-4000. No comments were filed in response to the notice.
3. On October 15, 2015, the Department sent a copy of the Draft Preliminary Determination proposing to approve Transfer Application T-11938 to the applicants. The Draft Preliminary Determination cover letter set forth a deadline of November 16, 2015, for the applicants to respond. The applicants requested that the completion date be extended to October 1, 2020 and for the Department proceed with issuance of a Preliminary Determination and provided the necessary information to demonstrate that the applicant is authorized to pursue the transfer.

This final order is subject to judicial review by the Court of Appeals under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482(1). Pursuant to ORS 536.075 and OAR 137-003-0675, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

4. On December 24, 2015, the Department issued a Preliminary Determination proposing to approve Transfer Application T-11938 and sent a copy to the applicants. Additionally, notice of the Preliminary Determination for the transfer application was published in the Department's weekly notice on December 29, 2015, and in the Lakeview Examiner newspaper on January 6 and 13, 2016, pursuant to ORS 540.520 and OAR 690-380-4020. No protests were filed in response to the notice.

5. The portion of the right to be transferred is as follows:

Certificate: 82723 in the name of JAMES T.AND RENATE L. PANCAKE (perfected under Permit G-10043)
Use: IRRIGATION OF 7.2 ACRES
Priority Date: MARCH 22, 1983
Rate: 0.09 CUBIC FOOT PER SECOND
Limit/Duty: The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, is limited to a diversion of ONE-EIGHTIETH of one cubic foot per second, or its equivalent for each acre irrigated, and shall be further limited to a diversion of not to exceed 3.0 acre-feet per acre for each acre irrigated during the irrigation season of each year.

Transfer Review Criteria (OAR 690-380-4010)

8. Water has been used within the last five years according to the terms and conditions of the right. There is no information in the record that would demonstrate that the right is subject to forfeiture under ORS 540.610.

9. A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing right were present within the five-year period prior to submittal of Transfer Application T-11938.
10. The proposed changes would not result in enlargement of the right.
11. The proposed changes would not result in injury to other water rights.
12. All other application requirements are met.

Conclusions of Law

The additional point of appropriation and change in place of use proposed in Transfer Application T-11938 are consistent with the requirements of ORS 537.705 and 540.505 to 540.580 and OAR 690-380-5000.

Now, therefore, it is ORDERED:

1. The additional point of appropriation and change in place of use proposed in Transfer Application T-11938 are approved.
2. The right to the use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificate 82723 and any related decree.
3. Water right Certificate 82723 is cancelled. A new certificate will be issued describing that portion of the right not affected by this transfer.
4. The quantity of water diverted at the additional point of appropriation, together with that diverted at the original point of appropriation, shall not exceed the quantity of water lawfully available at the original point of appropriation.
5. Water use measurement conditions:
 - a. Before water use may begin under this order, the water user shall install a totalizing flow meter, or, with prior approval of the Director, another suitable measuring device at each new point of appropriation.
 - b. The water user shall maintain the meter or measuring device in good working order.
 - c. The water user shall allow the Watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the Watermaster shall request access upon reasonable notice.
6. Water shall be acquired from the same aquifer (water source) as the original point of appropriation.
7. The former place of use of the transferred right shall no longer receive water under the right.

8. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2020**. A Claim of Beneficial Use prepared by a Certified Water Right Examiner shall be submitted by the applicant to the Department within one year after the deadline for completion of the changes and full beneficial use of the water.
9. After satisfactory proof of beneficial use is received, a new certificate confirming the right transferred will be issued.

Dated at Salem, Oregon this 16 day of February, 2016.
