2. The Water Resources Department issued an order approving Transfer Application T-8901 on August 11, 2004. The order was recorded in Special Order Volume 61, at Page 172. The order set a transfer completion date of October 1, 2005, and the date for submission of a claim of beneficial use as October 1, 2006.
3. The applicant requested an extension of time because they have drilled a well as approved but the authorized location of the "Well B" has failed to encounter water as described in the order.

**Conclusions of Law**

Pursuant to OAR 690-380-6020, the Director of the Water Resources Department concludes the applicant has shown reasonable diligence to complete the transfer within the time period established by the order approving Transfer Application T-8901.
