Conclusions of Law

The proposed changes in place of use as proposed in Transfer Application T-12538 satisfy the requirements of ORS 540.574(3) and 540.580.

Now, therefore, it is ORDERED:

1. The proposed change in place of use to the water right evidenced by Certificates 92000 is approved.
2. The right to the use of the water is restricted to beneficial use at the place of use described and is subject to all other conditions and limitations contained in Certificate 92000 any related decree.
3. The former places of use shall no longer be irrigated as part of this water right.
4. The water user shall maintain and operate the existing measurement device and shall make such improvements as may be required by the Department.
5. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2018**. A Claim of Beneficial Use shall be submitted by EFID to the Department within one year after the deadline for completion of the changes and full beneficial use of the water.

6. Water right certificate 92000 is modified. The Department will issue a superseding certificate describing the right when it determines it is necessary for record keeping.
