

**BEFORE THE WATER RESOURCES DEPARTMENT  
OF THE  
STATE OF OREGON**

In the Matter of Transfer Application                    )     FINAL ORDER APPROVING A CHANGE IN  
T-13828, Multnomah County                            )     POINT OF APPROPRIATION

**Authority**

Oregon Revised Statutes (ORS) 537.705 and 540.505 to 540.580 establish the process in which a water right holder may submit a request to transfer the point of appropriation, place of use, or character of use authorized under an existing water right. Oregon Administrative Rules (OAR) Chapter 690, Division 380 implement the statutes and provides the Department's procedures and criteria for evaluating transfer applications.

**Applicant**

GARY SHEPHERD  
OFFICE OF METRO ATTORNEY  
600 NE GRAND AVE.  
PORTLAND, OR 97232

**Findings of Fact**

1. On September 16, 2021, GARY SHEPHERD, OFFICE OF METRO ATTORNEY, filed an application to change the point of appropriation under Certificate 91809. The Department assigned the application number T-13828.
2. Notice of the application for transfer was published on October 5, 2021, pursuant to OAR 690-380-4000. No comments were filed in response to the notice.
3. On December 14, 2021, the Department contacted the agent for the applicant requesting revisions of the measured distances listed in table 1 and of the quarter-quarter locations in table 2 of the transfer application.
4. On December 21, 2021, the agent for the applicant sent a revised table 1, table 2, and corresponding map, which allowed the Department to proceed processing with the transfer.

This final order is subject to judicial review by the Court of Appeals under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482(1). Pursuant to ORS 536.075 and OAR 137-003-0675, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

5. On March 31, 2022, the Department mailed a copy of the draft Preliminary Determination proposing to approve Transfer Application T-13828 to the applicant. The draft Preliminary Determination cover letter set forth a deadline of April 30, 2022, for the applicant to respond.
6. On April 11, 2022, the applicant pointed out that the transfer is to replace Point of Appropriation (POA) #2 with POA #3, and provided a revised map to better illustrate the change.
7. On April 20, 2022, applicant requested that the Department proceed with issuance of a Preliminary Determination and provided the necessary information to demonstrate that the applicant is authorized to pursue the transfer.
8. On July 7, 2022, the Department issued a Preliminary Determination proposing to approve Transfer Application T-13828 and sent a copy to the applicant. Additionally, notice of the Preliminary Determination for the transfer application was published in the Department's weekly notice on July 12, 2022, pursuant to ORS 540.520 and OAR 690-380-4020. No protests were filed in response to the notice.
9. The right to be transferred is as follows:

**Transfer Review Criteria (OAR 690-380-4010)**

11. Water has been used within the last five years according to the terms and conditions of the right. There is no information in the record that would demonstrate that the right is subject to forfeiture under ORS 540.610.
12. A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing right were present within the five-year period prior to submittal of Transfer Application T-13828.
13. The proposed change would not result in enlargement of the right.
14. The proposed change would not result in injury to other water rights.
15. All other application requirements are met.

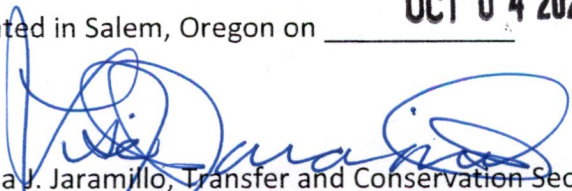

**Conclusions of Law**

The change in point of appropriation proposed in Transfer Application T-13828 is consistent with the requirements of ORS 537.705 and 540.505 to 540.580 and OAR 690-380-5000.

**Now, therefore, it is ORDERED:**

1. The change in point of appropriation proposed in Transfer Application T-13828 is approved.
2. The right to the use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificate 91809, and any related decree.
3. Water right Certificate 91809 is cancelled.
4. The quantity of water diverted at the new point of appropriation (POA #3), shall not exceed the quantity of water lawfully available at the original points of appropriation (POA #1 and POA #2).
5. Water use measurement conditions:
  - a. Before water use may begin under this order, the water user shall install a totalizing flow meter, or, with prior approval of the Director, another suitable measuring device, at each new point of appropriation.
  - b. The water user shall maintain the meters or measuring devices in good working order.
  - c. The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.
6. Water shall be acquired from the same aquifer (water source) as the original point of appropriation.
7. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2024**. A Claim of Beneficial Use prepared by a Certified Water Right Examiner shall be submitted by the applicant to the Department within one year after the deadline for completion of the change and full beneficial use of the water.
8. After satisfactory proof of beneficial use is received, a new certificate confirming the right transferred will be issued.
