 Transfer T-10763, Deschutes County)

Authority

OAR 690-385-7600 describes the process for the Water Resources Department to issue a water right certificate upon determination that an applicant has made satisfactory proof of completion of the changes authorized by a final order approving a district permanent transfer.

Applicant

Eagle Point Irrigation District
 PO Box 157
 Eagle Point, OR 97524

Findings of Fact

1. On February 24, 2010, the Department issued a final order, recorded in Special Order Volume 80, Pages 338 - 341, approving district permanent transfer application T-10763. The order established October 1, 2011, as the date for completion of the authorized change in place of use.
2. On June 4, 2012, the Department received a claim of beneficial use for Transfer Application T-10763.
3. The Department reviewed the claim of beneficial use and final proof map submitted by the applicant for district permanent transfer T-10763.
4. A scrivener's error in the order approving Transfer Application T-10763 was identified. The approval order incorrectly listed the Township for Notice #005-08. The correct place of use is as follows:

Twp	Rng	Mer	Sec	Q-Q	Acres	Notice
35 S	1 W	WM	34	NW NW	1.30	005-08

5. The claim of beneficial use did not contain map(s) of the point(s) of diversion from the source. However, since these changes are for place of use only within an irrigation district, and do not involve changes in point of diversion, the existing map(s) on file with the Department are sufficient to identify the point(s) of diversion from the source.

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

6. Satisfactory proof of the changes was submitted with evidence showing that water was used in the location and for the purpose as authorized by the final order approving T-10763.

Conclusions of Law

Pursuant to OAR 690-385-7600, the Department may issue a certificate upon a determination that the application of water to beneficial use under the terms of the final order approving a permanent district transfer was completed to the extent authorized.

Now, therefore, it is ORDERED:

1. The Department has determined that the application of water to beneficial use under the terms of the final order approving district permanent transfer T-10763 was completed to the extent authorized.
2. Pursuant to OAR 690-385-7600, the Department will issue a water right certificate on a determination that it is necessary to produce a certificate describing the right.
