Findings of Fact

Background

1. On October 12, 2005, the Department issued a final order, recorded in Special Order Volume 67, Pages 271 - 285, approving district permanent Transfer Application T-8900. The order established October 1, 2006, as the date for completion of the authorized change in place of use.
2. On May 2, 2008, the Department received an amended claim of beneficial use and associated maps for Transfer Application T-8900.
3. The Department reviewed the claim of beneficial use and final proof maps submitted on the behalf of the applicant for Transfer Application T-8900.
4. The claims of beneficial use and final proof maps for a portion of Transfer Application T-8900 identify the completed change differently from that authorized by the final order approving the transfer application.
5. The change in place of use under Certificate 74135 authorized in the order was as follows:

Twp	Rng	Mer	Sec	Q-Q	Acres
15 S	10 E	WM	10	SE NE	19.1
15 S	10 E	WM	10	SE NE	0.3
15 S	10 E	WM	10	SE NW	2.9
15 S	10 E	WM	10	NE SW	0.8

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

6. The Claim of Beneficial Use and maps illustrates the following:

7. The reconfigured change in place of use location as described in Findings of Fact #6 above is determined satisfactory because the reconfigured, completed use is for same water right holder, is contiguous and affects the same number of irrigated acres.

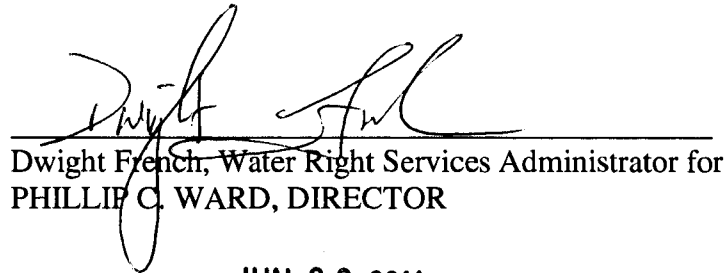

Conclusions of Law

Pursuant to OAR 690-385-7600, the Department may issue a certificate upon a determination that the application of water to beneficial use under the terms of the final order approving a permanent district transfer was completed to the extent authorized.

Now, therefore, it is ORDERED:

1. The Department has determined that the application of water to beneficial use under the terms of the final order approving Transfer Application T-8900 was completed consistent with the authorization.
2. The Department will issue a new, superseding certificate describing the right when it determines that it is necessary for recordkeeping.
