FINDINGS

The Director has examined the petition submitted by the Owyhee Irrigation District and a Report of Findings prepared by Department staff. The petition and Report of Findings are on file at the Water Resources Department. Based on the examination and report, the Director finds:

1. The OID is a qualifying organization as defined in ORS 541.325 (1).
2. The District has met the notice requirements of ORS 541.329(4).
3. The OID filed a petition and maps in a timely manner, as required by ORS 541.327.
4. The District paid the fees required under ORS 536.050(1)(o).
5. The District certified that the notice requirements of ORS 541.329(4) were met.
6. The content and quality of The OID's petition and maps meet the requirements of ORS 541.329.
7. The acreage petitioned is within the limits of the eligible water rights and the limits set in ORS 541.331 (4).
8. The proposed changes may be made without injury to existing water rights.
9. No new points of diversion will be created as a result of the petition.
10. The OID has requested the cancellation of 7964.259 acres of abandoned water rights.
11. The Secretary of the Interior has approved boundaries that include all the lands petitioned by the OID.

Therefore, the Director finds that The Owyhee Irrigation District has met the requirements of ORS 541.325 to 541.333.
