5. The district permanent transfer application satisfies the criteria of OAR 690-385-4000, contains the information required under OAR 690-385-2000 and includes maps meeting the requirements of OAR 690-385-2200.
6. The water right is subject to transfer as defined in OAR 690-385-0100.
7. The proposed change in places of use will not result in enlargement of the right.

8. The proposed change in places of use will not result in injury to other water rights.

Conclusions of Law

The proposed changes in place of use as proposed in Transfer Application T-12230 satisfy the requirements of ORS 540.574(3) and 540.580.

Now, therefore, it is ORDERED:

1. The proposed changes in place of use to the water right evidenced by Certificate 74145 are approved.
2. The right to the use of the water is restricted to beneficial use at the place of use described and is subject to all other conditions and limitations contained in Certificate 74145 and any related decree.
3. The former places of use shall no longer be irrigated as part of this water right.
4. The water user shall maintain and operate the existing measurement device and shall make such improvements as may be required by the Department.
5. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2017**. A Claim of Beneficial Use shall be submitted by the district to the Department within one year after the deadline for completion of the changes and full beneficial use of the water.
6. Water right certificate 74145 is modified. The Department will issue superseding certificates describing the rights when it determines it is necessary for record keeping.
