This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The above listed rates and duty reflect allowance of a 45% transmission loss as determined by decree of the Circuit Court of Deschutes County, dated March 24, 1933. Those lands not served from the district main canal systems, but by direct pumping from the Deschutes River, are not allowed the 45% transmission loss.

7. The district permanent transfer application satisfies the criteria of OAR 690-385-4000 contains the information required under OAR 690-385-2000 and includes maps meeting the requirements of OAR 690-385-2200.
8. The water rights are subject to transfer as defined in OAR 690-385-0100(17).
9. The proposed change in places of use will not result in enlargement of the rights.
10. The proposed change in places of use will not result in injury to other water rights.

## Conclusions of Law

The proposed changes in place of use as proposed in Transfer Application T-12231 satisfy the requirements of ORS 540.574(3) and 540.580.

### Now, therefore, it is ORDERED:

1. The proposed changes in place of use to the water rights evidenced by Certificates 83571 and 76714 are approved.
2. The right to the use of the water is restricted to beneficial use at the place of use described and is subject to all other conditions and limitations contained in certificates 83571 and 76714 and any related decree.
3. The former places of use shall no longer be irrigated as part of these water rights.
4. The water user shall maintain and operate the existing measurement device and shall make such improvements as may be required by the Department.
5. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2017**. A Claim of Beneficial Use shall be submitted by COID to the Department within one year after the deadline for completion of the changes and full beneficial use of the water.
6. Water right certificates 83571 and 76714 are modified. The Department will issue superseding certificates describing the rights when it determines it is necessary for record keeping.

Dated at Salem, Oregon this 16 day of February, 2016.
