

**BEFORE THE WATER RESOURCES DEPARTMENT
OF THE
STATE OF OREGON**

In the Matter of Transfer Application) FINAL ORDER CORRECTING
T-12245, Umatilla County) AN ERROR IN PLACE OF USE

Authority

ORS 540.570 and 540.580 establishes the process in which a district may submit a request to transfer a water right within district boundaries. OAR Chapter 690, Division 385 implements the statutes and provides the Department's procedures and criteria for evaluating district transfer applications.

Applicant

HERMISTON IRRIGATION DISTRICT
366 E. HURLBURT AVE.
HERMISTON, OR 97838

Findings of Fact

1. On February 11, 2016, the Department issued an order approving the changes in place of use associated with Transfer Application T-12245. This order is recorded in Special Order Volume 98, Pages 781-784.
2. Following issuance of the order, Department Staff noticed that the transfer map submitted did not match the application, upon further review the Department determined that the map was correct and the(to lands)or proposed lands should be described as in the table below with the changes made in bold and italic:

Proposed place of use - Irrigation										
Priority Date	Twp	Rng	Mer	Sec	Q-Q	Tax Lot	AF/Acre	Acres	Water User	Notice #
2/25/1904	5 N	28 E	WM	26	<i>SW NW</i>	300	3.0	9.79	Wolfe	2015-03
2/25/1904	5 N	28 E	WM	26	<i>SW NW</i>	300	6.0	7.84	Wolfe	2015-03
9/6/1905	5 N	28 E	WM	26	<i>SW NW</i>	300	6.0	0.70	Wolfe	2015-03
2/25/1904	5 N	28 E	WM	26	<i>SE NW</i>	600	6.0	0.42	Wolfe	2015-03

The Department evaluated whether this corrected change would alter any previous determinations in use, ability of the district to deliver water to the corrected proposed place of use, enlargement, and injury.

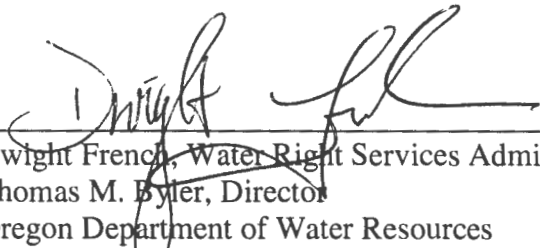

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-080 and OAR 690-01-005 you may either petition for judicial review or petition the Director for reconsideration of this order.

3. The Department finds that the corrected proposal is consistent with the requirements of ORS 540.574 and 540.580.

Now, therefore, it is ORDERED:

1. The order recorded in Special Order Volume 98, Pages 781-784 is corrected to identify the proposed place of use for Certificate 89006 as described in Finding of Fact #2.
2. All other provisions of the order are unchanged.

Dated at Salem, Oregon this 16 day of September 2016.

Dwight French, Water Right Services Administrator for
Thomas M. Byler, Director
Oregon Department of Water Resources
