NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When required by the Department, the water user shall install and maintain a headgate, an in-line flow meter, weir, or other suitable device for measuring and recording the quantity of water diverted. The type and plans of the headgate and measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

The right to the use of the water for the above purpose is restricted to beneficial use on lands or place of use described, and is subject to all other conditions and limitations contained in Certificate 76714.

This order is issued to confirm a change in CHARACTER OF USE approved by an order of the Water Resources Director entered May 10, 2006, at Special Order Volume 68, Page 418, approving Transfer Application 9527, affecting a portion of Certificate 76714, State Record of Water Right Certificates.

The Department will issue a superseding certificate describing the right when it determines that it is necessary for record keeping.
