

**BEFORE THE WATER RESOURCES DEPARTMENT
FOR THE
STATE OF OREGON**

In the Matter of the Completion of a Change)	DETERMINATION OF SATISFACTORY PROOF
in Place of Use Under Transfer Application)	OF COMPLETION FOR A PERMANENT
T-12823, Hood River County)	DISTRICT TRANSFER

Authority

Oregon Administrative Rule (OAR) 690-385-7400 describes the documentation the district must file with the Department in order to provide proof of use.

OAR 690-385-7600 provides in pertinent part that satisfactory proof shall be (a) a determination by the Department that application of water to beneficial use under the terms of the transfer final order was completed to the extent authorized, or (b) a determination by the Department that the application of water to a beneficial use under the terms of the transfer final order was completed to an extent less than authorized.

Oregon Revised Statute (ORS) 540.530(2)(a) and OAR 690-385-7600 authorize the Department to issue or modify a certificate of water right upon satisfactory proof of completion of the change or changes authorized by a final order approving a permanent district transfer.

Applicant

EAST FORK IRRIGATION DISTRICT
PO BOX 162
ODELL, OR 97044

Findings of Fact

1. On July 19, 2018, the Department signed a final order, which was mailed on July 20, 2018, and recorded in Special Order Volume 108, Pages 911-914, approving Transfer Application T-12823 involving Certificate 92000. The final order established October 1, 2019, as the date for completion of the authorized changes in place of use.
2. On October 2, 2019, the Department received a Claim of Beneficial Use (CBU) and associated maps from the applicant for Transfer Application T-12823 satisfying the requirements for providing proof of use under OAR 690-385-7400.

NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

3. The Department reviewed the CBU and map(s) submitted by the applicant for Transfer Application T-12823.
4. The CBU did not contain a map of the point of diversion from the source. However, since the transfer involved the transfer of places of use only within an irrigation district and did not involve a change in the point of diversion, the existing maps on file with the Department are sufficient to identify the point of diversion from the source.
5. The proposed place of use for Certificate 92000 as approved the final order for Transfer Application T-12823, and as recorded in Special Order Volume 108, Pages 911-914 is shown in Table 1, below:

Table 1:

IRRIGATION							
Twp	Rng	Mer	Sec	Q-Q	Acres	Tax Lot	Water User
1 N	10 E	WM	2	NW SW	1.20	1806	WY'EAST VINEYARDS, LTD
1 N	10 E	WM	11	SW SW	1.20	1500	CURTIS
1 N	10 E	WM	11	NW SW	0.25	1000	BROCK
2 N	10 E	WM	25	SW SE	5.00	4000	OSBORN
Total:					7.65		

6. Information in the CBU indicates portions of the transfer within each tax lot were developed differently than authorized in the final order. The reconfigured changes in place of use as documented in the CBU and associated maps are determined satisfactory because the reconfigured, completed uses are under the same water user, are within the same tax lots, do not enlarge the rights and affect the same number of irrigated acres.
7. Based on the review of evidence submitted by the applicant, the Department finds that the application of water to beneficial use under the terms of the transfer final order for T-12823 was completed to the extent authorized in the transfer as described in Table 1, above.

Conclusions of Law

1. The Applicant has submitted proof of use pursuant to OAR 690-385-7400.
2. Application of water to a beneficial use under the terms of the transfer final order has been made to the extent shown in Table 1, above.
3. The applicant has demonstrated proof of completion under T-12823 to the satisfaction of the Department.
4. The Department is authorized to issue or modify certificates of water rights involved in transfer T-12823 consistent with this determination of satisfactory proof of completion.

Now, therefore, it is ORDERED:

Water right Certificate 92000 is modified as shown in Table 1, above. The Department will issue a superseding certificate describing the right when it determines it is necessary for record keeping.
