1. The proposed modification would not result in enlargement of the ground water registration.

Such a determination will occur in an adjudication proceeding under ORS 537.670 to 537.695.
2. The use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Registration Application GR-2990 (Certificate of Registration GR-2799) and any related decree.
